SUBJECT: Estimated County and Municipal Aid Payments under AB 75

Several legislators have asked for estimates of 2010 payments to municipalities and counties from the county and municipal aid program under Assembly Bill 75. This memorandum has been prepared in response to these requests.

The bill would reduce total 2010 payments under the program by 1% of the county and municipal aid program appropriation, or $8,547,000. Payments for individual local governments would be reduced in a two-step calculation, and would be calculated separately for counties and municipalities. First, payments would be reduced in proportion to the recipient's share of the statewide equalized property values. Second, to ensure that no reduction exceeds 15% of the 2009 payments, an additional reduction would be taken from the recipients whose initial reduction was less than 15% of the prior year payment, in an amount necessary to lessen the reduction for local governments whose reduction under the first step exceeds 15%. This second reduction, for the local governments subject to it, would be based on their proportionate share of population for all such local governments.

The attachment shows an estimate for all municipalities and counties in the state, organized by county. The estimates are based on 2008 equalized values and 2008 estimated population. If the provision in AB 75 were to be passed, actual payment reductions would likely be based on 2009 values and population estimates, and so would differ from the amounts shown (the bill would not specify what year to use as the basis for the reductions).

The following material provides a brief description for each of the printout's columns.

Column 1: County and Municipality. The printout is arranged alphabetically by county. Municipalities within each county are sorted by municipal type (town, village, and city) and then

arranged alphabetically. Municipalities in more than one county are reported under the county where most of their taxable value is located.

Column 2: 2009 Current Law. These amounts represent each local government's 2009 entitlements under the county and municipal aid program. The amounts do not include payments under the utility aid component of the shared revenue program or under the expenditure restraint program.

Column 3: 2010 Under AB 75. These amounts represent an estimate of each local government's 2010 entitlements under provisions of AB 75.

Columns 4 and 5: Change in Payments. Column 4 represents the dollar reduction in each local government's estimated 2010 payment, relative to its 2009 payment. Column 5 represents this reduction as a percentage of the 2009 payment.

The following table shows the reductions by type of local government.
